

> Healthcare Facilities

Below is a list of providers who may be able to assist you with some of your Clinical Immunization Requirements. Anyone who is 19 years of age or older and does not have health insurance is eligible to receive low-cost vaccines under the Department of State Health Services, Adult Safety Net Program. [Read more about the DSHS Adult Safety Net program requirements.](#)

TJC Campus Clinic

If you are a current TJC student (currently enrolled in classes) with an 'up-to-date' ID badge, limited services are available to you at the TJC Campus Clinic. As a TJC student the clinic can provide the following services:

- > Referral for surface anti-body titers
- > Flu Vaccination

The TJC Campus Clinic **cannot** administer vaccinations to any student who is not accepted or been offered conditional acceptance into a Nursing or Health Science program.
