Contractors supplying goods or services without having first received a valid purchase order do so at their own risk.

Authorized Tyler Junior College personnel will notify the vendor of all adjustments and cancellations to any purchase order.

Invoice and Payment Terms: Invoices are to be submitted to the Accounts Payable Department for products and services that have been received or for services rendered. Invoices without references to the purchase order number may delay payment to the vendor. Invoices listing items or services other than those shown on the approved purchase order will not be paid. Itemized invoices must be submitted via email to accountspayable@TJC.edu or mailed to the TJC Accounts Payable Department, P. O. Box 9020, Tyler, TX 75711. By such termination, neither party will nullify its obligations or liabilities already incurred for performance or failure to perform prior to the date of termination.

3. **Termination for Cause**

TJC may terminate this contract for cause based upon the failure of contractor to comply with the terms and/or conditions of the agreement, or failure to fulfill its performance obligations pursuant to the agreement, provided that the College shall give the contractor written notice specifying the contractor's failure. If within sixty (60) days after receipt of such notice, the contractor shall not have corrected such failure or, in the case of failure which cannot be corrected in sixty (60) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then the College may, at its option, place the contractor in default and the Agreement shall terminate on the date specified in such notice.

The contractor may exercise any rights available under the law to terminate for cause upon failure of the College to comply with the terms and conditions of this agreement, provided that the contractor shall give the College sixty (60) days' written notice specifying the College's failure and a reasonable opportunity for the College to cure the defect.

EVALUATION CRITERIA FOR AWARD OF CONTRACT

Best Value Evaluation: This RFP will follow the Best Value evaluation methodology. Best Value looks at a number of criteria to evaluate proposals, including but not limited to cost. It is a subjective evaluation process that reviews all proposals to determine which one provides the best value to the College.

Proposal Evaluation: All responses received as a result of this RFP may be subject to evaluation by a selected College committee for the purpose of selecting the respondent(s) with whom the College shall contract. The

College reserves to right to award scope between vendors. The College may reject any or all proposals if none are considered in the best interest of the College.

After the opening of the submissions and upon completion of the initial review and evaluation, TJC may invite one or more selected vendors to participate in product demos, on-site presentations, or ask for samples to be sent to the College for review. TJC will select, on the basis of demonstrated competence and qualifications to perform the services, the vendor(s) it believes is best qualified.

- The College reserves the right to separate and accept and/or eliminate any item(s) listed in this bid that it deems necessary to accommodate budgetary and/or operational requirements.
- The College reserves the right to reject any and/or all bids submitted, to waive any formalities or technicalities, and to make whatever award it deems to be in the best interest of the College.
