RECREATIONAL DANCE CLASS GUIDE

AGES 3-4

All 3 year olds and younger 4 year olds are encouraged to start with **Pre-Ballet 1**. This class teaches ballet basics and meets developmental needs of littles with social and spatial awareness, creative play for gross motor skills; and even lessons in counting, colors, shapes and anatomy.

AGES 4-5

For students who have already taken two semesters of Pre-Ballet 1 or who will turn 5 before May 2025, we have two class options: **Pre-Ballet 2 OR Combo 1**. Pre-Ballet 2 is an age-appropriate continuation of coursework in skills and ballet basics. Combo 1 offers similar skill work, but technique work is split between ballet and tap. Combo students will need both ballet slippers & tap shoes.

AGES 5-6

For students who have already taken two semesters of Pre-Ballet 2 or Combo 1 or who will turn 6 before May 2025, we have two class options: **Pre-Ballet 3 OR Combo 2**. Pre-Ballet 3 is an age-appropriate continuation of coursework in skills and ballet basics. Combo 2 offers similar skill work, but technique work is split between ballet and tap. Combo students will need both ballet slippers & tap shoes.

AGES 6-7

For students who have already taken two semesters of Pre-Ballet 3 or Combo 1 or who will turn 7 before May 2025, we have two class options: **Pre-Ballet 4 OR Combo 2**. Pre-Ballet 4 is an age-appropriate continuation of coursework in skills and ballet basics. Combo 2 offers similar skill work, but technique work is split between ballet and tap. Combo students will need both ballet slippers & tap shoes.

AGES 7-8

For students who have already taken two semesters of Pre-Ballet 4 or Combo 2 or who will turn 8 before May 2025, we have two class options: **Intro to Ballet 1 OR Combo 3**. Intro to Ballet 1 is recommended for students who wish to join the Pre-Professional Division- it is a longer class with more focus on technique. Combo 3 offers the same technique work with more advanced skills than Combo 2. **Hip Hop** is also available for boys and girls, ages 7-12. Combo students will need both ballet slippers & tap shoes.

AGES 8&UP

After Intro to Ballet 1, students who are interested, may ask to join our Pre-Professional Division. However, for everyone else, we offer plenty of recreational classes for students who want to dance for fun and continue to learn basic technique. This age group has several options: **Recreational Ballet 1&2** (ballet basics), **Recreational Modern 1** (modern basics), **Musical Theater** (jazz and theatrical movement), **Combo 3** (ballet, tap & jazz) & **Hip Hop**.

DIFFERENTLY ABLED POPULATION

For students with different abilities and special needs, we offer the inclusive **Differently Abled Dance** class, open to all ages. This class works closely with our teacher, Ms. Anne, her assistants and parents to create a safe environment that introduces ballet, tap, and jazz technique, in addition to working on gross motor skills, music recognition, social skills & more.
